I know some buddys who have met a few nice honey's off of this kind of thing (here is the place they used: http://kqfn.meetingherenow.info/xehf , but what do ya think? I think it is mad cool from what I saw at my buddy?s house, and iam thinking of signing up later today. Basically it's a regular personalssite, but with an instant message and Webcams system built in. Basically you join their chat-room on their site it gives you a link to those people online in the chat-room, their location, their picture, etc and at one click you can start chatting to them over Webcam (even if you don't have one). Pretty nifty stuff I think!

This campaign is about Human beings, Democracy, UNHCR, Refugees, The Iraqis, Islam, Kurds, Human rights, Respect, Money, Donations, Angelina Jolie, Pavarotti, Giorgio Armani, Donors, Peace, History, Campaigns and about you if you care about these words.

Hi there,

I am SAM, an Iraqi refugee living in Lebanon at the moment; I have spent the last 10 years of my life as a refugee registered with the UNHCR in Beirut. The last 4 years, I have spent as an activist for peace and human rights (especially refugees and asylum seekers) on the Internet; I'm also books author and ebooks publisher. I have launched many campaigns to improve our situation as refugees in Lebanon and hopefully bring more understanding to our problems worldwide. I helped make many changes and improvements at the UNHCR office in Beirut; I used the Internet as the field for my activities (you can read more about that in my free ebook 'MY CAMPAIGNS'). All my ebooks are free and could be download from my sites.

This is my newest campaign, it's about the illegal and humiliating actions of the UNHCR, who using photos of refugees as banners and human-buttons to collect money. This is an abuse of the dignity and humanity of the refugees and must stop immediately and a clear public apology present by The United Nations High Commissioner for Refugees. My friends, I am talking about the pictures you can see here: http://www.angelfire.com/yt3/un4

Also you can read my new campaign 'Urgent, we need smile' here:
http://unhcrlebanon.741.com/email_me.htm

For more info about UNHCR and life of refugees you can read my free ebooks. I invite you as fellow humans and members of the world community to support my campaign by reading my article on my site and see the human-buttons. The campaign is to support and improve the UNHCR http://www.unhcr.org especially after the last scandals in the UN and UNHCR, just for example: http://www.mizzima.com/archives/news-in-2005/news-in-april/12-April05-22.htm

"We make demonstration and fast because the UNHCR office in Cairo did nothing for our problem..." http://news.bbc.co.uk/2/hi/africa/4440730.stm

Together we will build better world.

You could reach me fast via this form: http://unhcrlebanon.topcities.com/email_me.htm
and if you like to know more about me, you can google for my name 'osam altaee'.

Damn, just quit last week and am officially no longer a slave! It's unbelievable not having to get up in the morning and dealing with all the traffic and stresses at work. What's even better is that I am earning 3 times as much working from home and it only took me a couple weeks to get setup. Now all I do is sit at home and answer phones and I can afford to live better than ever. Anyway not here jus to brag, also wanted to help everyone out by leaving some info if you guys are interested in doing the same kind of thing I am. Give these guys a call 888 701 3877 , they'll sort you out!

WHAT A GREAT IDEA!
We provide a concept that will allow anyone with sufficient work experience to obtain a fully verifiable University Degree.
Think of it, within four to six weeks, you too could be a college graduate.
Many people share the same frustration, they are all doing the work of the person that has the degree and the person that has the degree is getting all the money.
Don't you think that it is time you were paid fair compensation for the level of work you are already doing?
This is your chance to finally make the right move and receive your due benefits.
If you are like most people, you are more than qualified with your experience, but are lacking that prestigious piece of paper known as a diploma that is often the passport to success.
CALL US TODAY AND GIVE YOUR WORK EXPERIENCE, THE CHANCE TO EARN YOU THE HIGHER COMPENSATION YOU DESERVE!

Just got my masters in Science and didnt even have to turn up to class...
how good is that? Just phoned these fellows 1-415-267-3940 and they got me fully accredited at an overseas uni in less than a month! Very happy right now.

hello all,
first off, does anyone know where I can get a battery box, for at least 8, but preferably 10 standard d sell type batteries?
I am trying to fit a cb to a carriage, and would prefer to use standard batteries that I can just replace, rather than one that needs charging.
now on to the long shot:
does anyone have any idea which type of mount would be best to fit a SIRIO MEGAWATT 4000 aerial to a carriage?
